Message

From The CEO

Bharat Keshav jangid

CEO

Mr. Bharat Keshav Jangid manages the company. He is with extensive experience in the construction industry both in execution of works on sites and at company management level. We strongly believe that experience in the execution of works and in the management of construction works both on site and company management level is the key to achieve optimization of resources with the desired quality on time. Our team has acquired such experience in construction companies on various projects. The motivation of the Director and the company's staff is to invest and share their knowledge and extensive experience in execution of works on construction sites to achieve your goals together with your project team.

We build a team

Around your Project

Develop long term relationships and meet the needs of our clients built on integrity, focus, commitment, reliability, competency, value, timely delivery and quality of our work.

Ultimately, it's our goal to leave you with memorable experience by providing you an exceptional service that is tailored to your specific requirements.

Being a class 1 contractor, we have expanded our construction arm to encompass not only dwellings & houses but also offices, interior fit-out and commercial complex to name but a few.

We will also in the future look into infrastructure projects such as roads, drains cable laying to complement all the activities we have mentioned earlier.

Safety measures And Environmental Care

SAFETY FIRST

Follows the safety policy in line with India Safety Standards. The Personal Protection Equipment's (PPE) Helmet, Goggles, Gloves, Safety Belts Safety Shoes & Jackets are provided to all the employees and workers at site.

Periodical Safety Checks are done to all the machines and tools used for the projects. The periodical training conducted among the workers and engineers ensures safe operation.

Also takes of the environment protection at each and every project. We believe in preserving what we have by using it sensibly. Hence we ensure that we do not harm the environment in any way in endeavor to serve our clients.

We don't claim to be the best but the fact remains that we stand committed to deliver the projects to your satisfaction.
